

ISSP 1992 – Social Inequality II

Basic Questionnaire

P.1250

Summer 1992

BRITISH SOCIAL ATTITUDES

SELF-COMPLETION QUESTIONNAIRE

SN

	101-04				
--	--------	--	--	--	--

To the selected respondent:

Thank you very much for helping us again with this important study - the ninth in this annual series. These questions are also being asked in eighteen other countries, as part of an international survey. The results are published in a book each autumn.

Completing the questionnaire

The questions inside cover a range of subjects, but each one can be answered simply by placing a tick (✓) or writing a number in one or more of the boxes. No special knowledge is required: we are confident that everyone will be able to take part, not just those with strong views or particular viewpoints. The questionnaire should not take very long to complete, and we hope you will find it interesting and enjoyable. It should be filled in only by the person who was interviewed in 1991. The answers you give will be treated as confidential and anonymous.

Returning the questionnaire

Please post it back in the pre-paid, addressed envelope, AS SOON AS YOU POSSIBLY CAN.

THANK YOU AGAIN FOR YOUR HELP.

Social and Community Planning Research is an independent social research institute registered as a charitable trust. Its projects are funded by government departments, local authorities, universities and foundations to provide information on social issues in Britain. The British Social Attitudes Survey series has been funded mainly by the Sainsbury Family Charitable Trusts, with contributions also from government departments, the Nuffield Foundation, universities and industry. Please contact us if you would like further information.
